

## Potential for Change: C Triturations

Last Updated Thursday, 16 August 2007

by Brenda O'Brien

This article will explore the trituration process, and the C potencies that are becoming increasingly relevant for 21st-century homeopaths. Brenda O'Brien's journey to discover this hidden aspect of homeopathy began in 2001. Here she shares the story of how this has deepened her respect for potency and trituration and explains why she feels potency is our strength.
